DISCLAIMER

The Logical Soul™ technique, as discovered and developed by **Michael Craig** (DC, retired) is to be used for purposes of educational, transformational and self-improvement only, and is not designed to take the place of competent medical and/or psychiatric care when needed.

The terms "logical soul," "access," "hidden decisions," "transformation," "self-sabotage," "goals capacity" and similar phrases referred to herein are used by the author and/or practitioner for purposes of illustration only, and are not intended to be used to diagnose or treat any condition or disease. Similar phrases are neither intended to assess the current financial, legal, marital, nor any other conditions that the reader may feel inclined to use as a basis for a cure or remedy.

Every effort has been made to accurately represent this product or service and its potential. Even though the practitioner believes that knowledge of this technique and procedure can contribute to increased earnings, better relationships, better health and greater happiness and overall peace of mind, there is no scientific research to validate the claim that using the Logical Soul™ techniques and ideas will bring about these results. Examples given in any material, brochure, or online presentation or statement are not a promise or guarantee of earnings, cure for disease or mental disorder, or claim that you will have more happiness or better relationships.

The practitioner providing the Logical Soul™ technique(s) to you is not (unless stated) a licensed health-care or mental-care practitioner. This technique should not be used for health reasons except while under the supervision of, or written permission from, a licensed physician or health practitioner. If you have doubts as to whether or not your physician or practitioner would approve, you must consult with him or her *before* undergoing any session or course.

Any claims or examples of actual results are based on individual reports, and not on scientifically-verified studies. These reports can be given upon request. Your level of success in attaining the results claimed in our materials and on our website depends on many undermined hidden mental-emotional factors, as well as the decisions you make to allow such successes into your life. Since these factors differ according to individuals, we cannot guarantee your success, health, happiness or income level. Nor are we responsible for any of your actions.

I have read and understood the above Application and Disclaimer. I am fully aware of the purported benefits and limitations of the Logical Soul™ and agree to participate in a session or course strictly as part of my own program for self-help and self-improvement. I agree to hold Michael Craig, Logical Soul LLC, and their practitioners, vendors and associates harmless in the event of any emotional or mental breakdown. I further agree and understand that **emotional and psychological changes may occur during the Logical Soul™ session or course, and that occasional emotional upset or confusion may be part of a normal healing process.** I affirm that I am *not* currently under the supervision of a mental health care practitioner, *or* that I have written permission from this practitioner to engage in this session or course. I have been informed and directed to consult with my doctor, physician, health care practitioner should I have ANY disability or condition that precludes me from deriving full benefit from said session or course.

I further understand that the name, substance and method of the *Logical Soul™* is protected by International Trademark, and its use with others for gain is prohibited until such time that I have been certified by Logical Soul LLC and Michael Craig to permit its use.
